Holiday Exercise Tips

Holidays typically equal hectic schedules and high calorie events. Don't be tempted to take a holiday from healthy living - instead find creative ways to enjoy the season and stay fit. Here are some fun tips for getting exercise while celebrating the holidays with friends and family.

Plan events with family and friends around activities like bowling, skating or computer game system competitions instead of meals.

Dancing is great exercise and keeps you away from the food.

Walk or bike ride to your events.

Squeeze in short 15 to 20 minute workout sessions twice a day.

Live in a snowy climate? Shoveling snow is a serious workout.

Shopping means walking especially if you park at the back of the parking lot.

COMMUNITY TIP

Can I refer a friend?

Yes, we love resident referrals! We are glad to hear that you are happy in our community and enjoy telling your friends and family members about your experience.

Often the best neighbors are the ones that our residents choose. Simply call, email or drop by your community's leasing office to recommend a friend or learn more about our resident referral program.

MY QUESTION

Welcoming Long-term Guests

Please remember that long-term guests may need to be added to your lease. Stop by the leasing office to inform us of your friend or family member who is staying for the holiday season and beyond.

It is important to know who is living in our community - especially for safety reasons. Check your lease for rules regarding how long a visitor can stay before he or she needs to be added to your lease. Thanks for your cooperation!
