COMMUNITY LIVING TIP

Patio Affair

With the wonderful summer evenings approaching, it's time to entertain some friends on your porch or patio.

Mix up a pitcher of your favorite drink, make some chips and dip, light a citronella candle to keep away skeeters and invite over your closest friends for people watching, a board game or some patio dancing.

Be sure to invite the neighbors you like and remember: keep the noise down to avoid upsetting the ones you don't. Get out and enjoy that summer breeze!

APARTMENT LIVING TIP

Clean Your Dishwasher in 15 Minutes

Before you do anything, take out the top and bottom dish racks. Then, check the jets where the water sprays out for any food build-up. Use something thin and sharp, like a toothpick or pen, to pick away at any debris. Use paper towels and soapy water to wipe off any dirt from the inside of the dishwasher.

If you notice any mold or mildew inside the dishwasher, use diluted bleach to scrub it away. However, bleach will damage stainless steel, so avoid using it to clean your stainless steel appliances.

Then, wash the filter. Many dishwasher filters are attached to the appliance with screws. If that's the case, carefully unscrew the filter and wash it with soapy warm water or baking soda. Let it soak for about 10 minutes, then put it back into the dishwasher.

For a final wash, add 2 cups of vinegar to the bottom of the empty dishwasher and run it on a low, short, or energy-saving cycle. Halfway through, pause the cycle for 20 minutes to give the diluted vinegar a chance to loosen any remaining food debris or hard water buildup. Then restart and complete the cycle for a beautifully clean dishwasher.

MY QUESTION

My roommate skipped on their rent. What should I do?

That is a tough situation....especially if your roommate is a good friend.

Regardless of the amount, you still have to pay the full amount of your rent. I suggest talking with management and letting them know the situation. Then, get the money from your roommate as soon as possible!

FUN IN THE SUN
